This is funny coming from a guy who just deleted his last Twitter account to hide any evidence of slander that he is currently being sued for.

 **Bret's Assistant** @BEEs\_Assistant · 14m

He goes after vulnerable individuals (or anyone he deems vulnerable). He is an absolute menace and I am beyond tired of the harassment and slander. If anybody can help me stop his criminal behavior, please. I beg you. He is a harmful individual with no boundaries.

While also simultaneously uploading the original unedited videos to a Google drive account. And the description of the edited videos I will link to the unedited video. So Justin can suck my balls. It will be worth the tedious effort to keep him squirming

Justin has issued copyright takedowns to remove my mirrored videos of him making death threats to children and adults. He's probably going to be gloating tomorrow. Meanwhile, I will be working to ensure that the videos will be re-uploaded in a way that he can't do anything about

I'll make Todd a deal. I'll take down all of the videos and I mean every last one of his own clips, but I'm going to need a legit and sincere apology to every person that he has been slandering. And I mean every single one.

Replying to @BEEs\_Assistant @allemandtonya and @BretEastonEllis  
Todd it is absolutely undeniable that not one of us said a single word about you in over two years. There is NOT A WORD from us until after February 28 when YOU made a video saying the most awful things imaginable about us. If you post things like that, EXPECT A RESPONSE.

Why don't you just sue me as you have repeatedly threatened to do Todd? Is it because I have a number of videos revealing that you have broken the law?

Doctor Ramani, this guy Michael Thompson is stalking me online, constantly slandering me and harassing me. This is just the latest example. He is a psychopath and I am not sure what I can do about it.

Todd (@BEEs\_Assistant) is so stupid that he, a gay Jewish man, is defending a homophobic anti-Semite who said he's going to kill all gays and Jews. Sue me, idiot.
